### By car

There is very limited public hospital parking. Rates are high and expensive. You are advised to travel by public transport.

## Travel directions from Belsize Park underground station

There are 2 possible entrances and routes to the Peter Samuel Hall

### 1. Roland Hill Street entrance (closest to Belsize Park station)

Come out of station turn right and walk up Rosslyn Hill staying on same side of road. At The George pub turn right and walk down hill towards the tower block hospital building. The narrow road bends right and observe the sign 'Royal Free Hospital and School of Medicine' sign above an entrance on the left. Enter the hospital via this door. Walk ahead in a corridor to a staircase facing you. Ascend one level to 1st Floor, through the doors the Peter Samuel Hall is ahead. Turn right and then left and enter the lecture hall.

### 2. Pond Street entrance (Main Entrance)

Enter the hospital via Main Reception see photos below.. Enter the hospital via the Ground Floor entrance, behind the silver sculpture in the foreground photo on right, and walk straight ahead along a corridor, passing the Atruim on the right heading for the 'Main Lifts'. At the Main lifts – there is a selection of 5 lifts, take one to the first floor. Turn left or right depending, out of the lift and left again and head on down a long corridor, passing the Lyndhurst rooms on the left, through two sets of double doors following signs to 'Haemophilia Centre, Samples and Cancerkin Centre' The peter Samuel Hall will be sign posted at first turning right to Cancerkin Centre.

## Travel directions from Hampstead Station underground station

Exit the station and turn left and then left into Hampstead High Street. Walk down the hill for about 20 mins, into Rosslyn Hill until you reach a main cross roads with traffic lights. Turn left into Pond Street, cross the road and enter the hospital via the Main Reception, following directions outlined above
